

Hello from Shannon and Kruger du Plessis, Co-Founders of KruShan Foundation

Spring has sprung in the U.S., and we've launched our first-ever e-learning course (link below)!

As we look toward April, we're investigating a new partnership, looking at more options for this newsletter, and beginning work on a Penguin Protectors initiative.

Thank you so much for supporting critically endangered African penguins.

From the Blog

From Crisis to Comeback: Inside African Penguin Rehab

You told us you wanted a behind the scenes look at how African penguins are rehabilitated. [We wrote this post for you!](#)

A Tale of Two Seabird Rangers

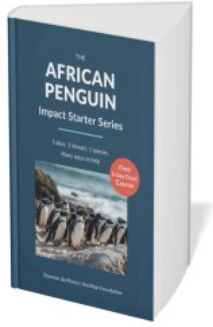

A year ago we were doing [site visits in South Africa](#). We're revisiting this post.

2025: A Year of Penguins, Partners, and Progress

We're still working on our 2025 financials. Here's another review of [what we accomplished together in 2025](#).

How You Can Help

Your Free African Penguin Impact Starter Series

Enjoy our free 5-day email course that turns “what can one person do?” into actions that actually move the needle.

After you complete the course, you’ll have bragging rights; ***you’ll know more about critically endangered African penguins than 99% of the population.***

No guilt trips. No spam. Major bragging rights.

Get started [here](#).
